## College Credit Plus Success Story

College Credit Plus (CCP) is Ohio's dual enrollment program, providing students in grades 7-12 the opportunity to earn both college and high school credits simultaneously. Owens welcomes nearly **2,000 CCP students annually**.

As a CCP student, homeschooled student Abby McCrea earned college credit, made friends and found support in the Library and Learning Commons. "Despite being the youngest person in most of my classes, I was accepted and made lots of friends," she said. Abby earned her ASL certificate in May 2025 and is now pursuing a Special Education degree at BGSU.

## Visiting Students

Owens welcomes students enrolled at four-year colleges and universities who want to take a class or two at Owens and then transfer the credits to their native institution. Nearly **650** visiting students attend Owens annually, realizing tuition savings while earning credits toward their bachelor's degree.

*"Choosing to enroll in summer classes at Owens Community College was one of the smartest choices I made as a college student. It was easy to sign up and transferring the credits was seamless as well. The education is excellent and surpassed my expectations. This decision was not just smart; it was a transformative step toward my academic success."*
