Recognition of Special Student Populations

The College would like to recognize graduating students for their involvement, dedication and/or induction to the following:

Alpha Delta Nu is the honor society established by the National Organization for Associate Degree Nursing. The Owens nursing program has been chartered as the Pi Chapter. The purpose of Alpha Delta Nu is to recognize the academic excellence of students in Associate Degree Nursing programs, to encourage the pursuit of advanced degrees and continuing education as a lifelong professional responsibility and to promote the recruitment of qualified individuals into the profession of nursing. Members can be recognized by their honors pins and apricot cords.

Gamma Theta Upsilon is an international honor society in geography. Members must achieve a 3.0 GPA in geography. The mission of Gamma Theta Upsilon is to advance geography as a cultural and practical discipline for study.

Kappa Beta Delta is the business honor society that recognizes academic excellence for students in applied business technologies and business administration transfer programs. To be a member each student must achieve a GPA of 3.5 or higher. Members can be recognized by their royal blue stoles.

Phi Theta Kappa is the International Honor Society for two-year college students across all academic disciplines. Students are inducted into the Alpha Omega Pi Chapter on the Toledo-area Campus and Beta Xi Chi Chapter on the Findlay-area Campus based upon their remarkable scholarship of an overall GPA 3.5 or above, and leadership potential. Members can be recognized by their gold stoles and gold tassels.

Psi Beta is the National Honor Society in Psychology for Community and Junior Colleges. Psi Beta was founded for the purpose of stimulating knowledge and recognizing students' scholarship and interest in psychology.

Sigma Phi Alpha is a National Honor Society for dental hygiene students. Sigma Phi Alpha was founded in 1958 to recognize the highest achieving students in dental hygiene programs throughout the United States.

The **Owens Honors Program** is a challenging and enriching educational opportunity that brings together outstanding students and faculty in dynamic environments that inspire unparalleled intellectual pursuits, while challenging students to initiate, create and think critically to enhance personal inquiry and growth. Honors Scholar graduates have maintained a 3.5 GPA or higher and are wearing red and white ribbons with bronze medallions engraved with the College Seal.

Student Ambassadors provide students with dynamic, on-campus leadership opportunities. These graduates are wearing red and blue cords which represent their advocacy for fellow students through student leadership.

Graduates who are **Veterans** are wearing red, white and blue cords, which signify their honorable military service.

Owens Express Athletics provides student-athletes the opportunity to develop their talent and sportsmanship in intercollegiate athletics. These student-athletes devote hours to maintaining their GPA and eligibility while excelling in the fundamentals of their sport, teamwork, leadership and service.

The **National Society of Leadership and Success** is an honor society that provides a life-changing leadership program to help students achieve personal growth and career success and to empower them to have a positive impact in their communities. Members can be recognized by their black and platinum honor cords.

The **Service Scholars** program recognizes students who receive exposure to community engagement initiatives through designated service activities, service learning courses and selected on-campus involvement. Service Scholars are wearing red, white and silver cords to highlight their commitment to community service.

Graduates with Honors

Students who have maintained a high level of academic achievement are graduated with Honors. Honors designations and the corresponding grade point averages are: Summa Cum Laude (3.91-4.0), Magna Cum Laude (3.80-3.90), Cum Laude (3.50-3.79). Students wearing the distinctive gold cord are Honors graduates.
