

OWENS READS FOR KIDS

**"We read to know that
we are not alone."
--C.S. Lewis**

Owens Reads for Kids was created at the beginning of the pandemic as a means to help parents who are students give their children something different to do when parents might be trying to get some study time in! Nearly three years later, people are still clicking on these books with nearly 1,700 views being recorded since program inception! Every month a few more views are logged and it would be great to give our young book listeners some new material!

We would love to hear you share your favorite picture book for Owens Reads for Kids!

Guidelines for recording:

- If using your cell phone to record, please make sure the phone is turned horizontally!
- Prop your phone on a table or stand to assure that it is steady – no Blair Witch recordings please!! 😊
- Make sure the reader can be heard clearly.
- Finally, so as to not distract from the reading, please record in a plain, uncluttered area.
- If you have some Owens swag to wear while recording, that is a bonus, otherwise, neutral clothing is suggested.
- When you have completed your recording, please send it to me at jane_berger2@owens.edu.

If you have any questions along the way, please feel free to reach out to me!

Happy reading!!
