**Additional Credits May Be Required**

- Please talk to your high school counselor to see what would be required for you to earn your high school diploma.
- Students should then meet with their Academic Advisor at Owens to see what courses offered could complete their additional credits needed for high school graduation.
- Search for graduation requirements at: [education.ohio.gov](http://education.ohio.gov)

OTM = Ohio Transfer Module

OTM courses taken, and successfully completed, at Owens Community College will transfer to every public college and university in Ohio.
