- A student will be notified of an interim measure by phone and/or in writing and will take effect immediately. - During the interim measure, a student may be denied access to campuses and learning center (including classes) and/or all other College activities or privileges for which the student might otherwise be eligible, as the Director of Student Conduct and Student Life may determine to be appropriate.
• The interim measure does not replace the regular student conduct process, which shall proceed on the normal schedule, up to and through a student conduct board hearing. The interim suspension may not be appealed.

College officials may contact the Department of Public Safety when a student is believed to be engaging in conduct in their class/office that may violate the Student Code of Conduct to ask for them to be removed from the remainder of the class period/meeting. If the Department of Public Safety believes that a student is engaging in misconduct while on College premises which violates the Student Code of Conduct the student may (1) be dismissed from campus and schedule a meeting with the Director of Student Conduct and Student Life, or (2) be issued a warning for such behavior and require the student to meet with the Director of Student Conduct and Student Life. Failure to comply with a dismissal from campus may result in arrest and charges of criminal trespass being filed.

Article VII: Student Code of Conduct Procedures
Any member of the College community may submit a report involving inappropriate or concerning student behavior. An account of the behavior or incident shall be prepared in writing involving inappropriate or concerning student behavior. An account of the behavior or incident shall be prepared in writing and submitted to the University in writing via the Owens web site. Reports may be submitted at any time after an incident has occurred but should be submitted as soon as possible after the event takes place, preferably within 24 hours of occurrence.

Procedures:
1. Once a report has been received, a prompt, fair, and impartial investigation will take place to determine if a policy violation(s) of the Student Code of Conduct has allegedly occurred. All investigations will be conducted and/or coordinated by the Director of Student Conduct and Student Life. Investigations may involve a review of the respondents prior conduct history, interview of witness(es), interview of the complainant(s), interview of the respondent, and/or requesting more information from the complainant, respondent, and/or witness(es).

2. If it has been determined that a policy violation allegedly occurred, the Director of Student Conduct and Student Life will present the charges of the Student Code of Conduct to the respondent in written form (Owens email account and/or permanent address on file) and/or by phone which will include a time for a meeting with the Director of Student Conduct and Student Life or notification to schedule a meeting to discuss the incident report. All requests for meetings must be scheduled within 24 hours of receipt of the written notification.

3. If a respondent, with notice, does not appear to a scheduled meeting and/or does not respond to the request for a meeting, the information in support of charges shall be presented and/or considered even if the respondent is not present or a Disciplinary Hold will be placed on the student’s account until the student conduct process is complete.

4. Upon resolution, the Director of Student Conduct and Student Life will present the alleged policy violation determination and sanction(s) (if applicable) to the respondent in writing.

Informational Mutual Resolution:
Allegations of violations of the Student Code of Conduct can be resolved informally by mutual consent on a basis that is determined acceptable by the Director of Student Conduct and Student Life. During this resolution, the respondent and the Director of Student Conduct and Student Life will discuss and agree upon the violations and sanction(s) (if applicable). Such disposition shall be final and there shall be no subsequent proceedings (including appeals).

Student Conduct Board Hearing:
If the alleged respondent has an existing student conduct record, a resolution could not be reached between the respondent and the Director of Student Conduct and Student Life, and/or the alleged violation(s) are egregious in nature, or the violation(s) involve allegations of the College’s Title IX/Sexual Misconduct Procedures, a student conduct board hearing may occur in place of an informal mutual resolution. The Student Conduct Board is comprised of College officials, for example, staff from the Department of Public Safety, Counseling Services, Disability Student Services, Advising, and Faculty.

1. A student conduct board hearing will occur within fifteen (15) business days after the student has been notified in writing of the hearing.

2. Maximum time limits for scheduling of student conduct board hearings may be extended at the discretion of the Director of Student Conduct and Student Life.

3. Student conduct board hearings shall be conducted according to the following guidelines except as provided by Article VIII (C) below:
   a. If a student fails to appear for a scheduled conduct hearing, the case may be adjudicated and a sanction imposed (if applicable). The Student Conduct Board will consider the facts presented when making their decision. The student’s absence will not be a factor in the determination. The Student Conduct Board Chair will notify the student of the decision in writing.
   b. Student conduct board hearings shall be conducted in private.
   c. The respondent and their advisor, if any, shall be allowed to attend the entire portion of the student conduct board hearing at which information is received (excluding deliberations). Admissions of any other
person to the student conduct board hearing shall be at the discretion of the Hearing Board Chair.

d. If applicable, the complainant/victim and the respondent have the right to be assisted by an advisor of their choosing. The advisor may be a member of the College community or external to the College community. The complainant and/or the respondent is responsible for presenting his or her own information and, therefore, advisors are not permitted to speak or to participate directly in any student conduct hearing.

e. The respondent and the Director of Student Conduct and Student Life may arrange for witnesses to present pertinent information to the student conduct board. The College will attempt to arrange the attendance of possible witnesses who are members of the College community, if reasonably possible, and who are identified by the complainant/victim and/or respondent at least two business days prior to the student conduct board hearing. Witnesses will provide information to and answer questions from the student conduct board. Questions may be suggested by the respondent and/or complainant/victim to be answered by each other or by other witnesses. Questions will be directed to the Hearing Board Chair, rather than to the witness(es) directly.

NOTE: This method is used to preserve the educational tone of the hearing and to avoid creation of an adversarial environment.

- Pertinent records, exhibits, and written statements may be accepted as information for consideration by the student conduct board at the discretion of the Hearing Board Chair
- All procedural questions are subject to the final decision of the Hearing Board Chair.
- Formal rules of process, procedure, and/or technical rules of evidence, such as are applied in criminal or civil court, are not used in Student Code of Conduct proceedings.

f. After the portion of the student conduct board hearing concludes in which all pertinent information has been received, the student conduct board shall determine (by majority vote) whether the respondent has violated each section of the student code which the student is charged with violating. The student conduct board’s determination shall be made on the basis of whether it is more likely than not (i.e., preponderance of evidence) the respondent violated the Student Code of Conduct.

4. There shall be a single verbatim record, such as audio recording, of all student conduct board hearings before a student conduct board (not including deliberations).

5. The student conduct board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the complainant/victim, respondent, and/or other witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of the Director of Student Conduct and Student Life to be appropriate.

After the written request is received, a committee will review the request and meet with the student. As a condition of re-admission, a re-admission plan may be made. The student will be notified of the decision in writing.

   h. **College Expulsion** – Permanent separation of the student from the College.

   i. **Revocation of Admission and/or Degree** – Admission to or a degree awarded from the College may be revoked for fraud, misrepresentation, or other violations of College standards in obtaining the degree, or for other serious violations committed by a student prior to graduation.

   j. **Withholding Degree** – The College may withhold awarding a degree otherwise earned until the completion of the process set forth in this Student Code of Conduct, including the completion of all sanctions imposed, if any.

2. More than one of the sanctions listed above may be imposed for any single violation.

3. Other than College expulsion or revocation or withholding of a degree, disciplinary sanctions shall not be made part of the student’s permanent academic record, but shall become part of the student’s disciplinary record.

4. A Disciplinary Hold may be placed on a student account pending the completion or end date of a sanction.
**Article X: Appeals**

1. A decision reached by the Director of Student Conduct and Student Life or a Student Conduct Board Hearing or a sanction imposed may be appealed by the respondent or complainant/victim (in cases of Sexual Misconduct, Sexual Harassment, Domestic Violence, Dating Violence, Endangering Behavior or Stalking). **NOTE: Informal mutual resolutions cannot be appealed.**

2. The appeal must be made, in writing, to the appeal body within seven (7) business days of the announcement of findings/sanction and specifically describe the grounds with which the appeal is being sought.

3. An appeal may be sought on the following grounds:
   - On a claim of error in the hearing procedure that substantially affected the decision;
   - On a claim of new evidence or information material to the case that was not known at the time of the hearing and which reasonably could have affected the decision of the hearing body; and/or
   - On a claim that the sanction(s) is grossly disproportionate to the severity of the misconduct.

4. Except as required to explain the basis of new information, an appeal shall be limited to a review of the verbatim record of the student conduct procedure and supporting documents for one or more of the following purposes:
   a. To determine whether the student conduct procedure was conducted fairly in light of the charges and information presented, and in conformity with prescribed procedures giving the complainant a reasonable opportunity to prepare and to present information that the Student Code of Conduct was violated, and giving the respondent a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results.
   b. To determine whether the decision reached regarding the respondent was based on substantial information; that is, whether there were facts in the case that, if believed by the fact finder, were sufficient to establish that a violation of the Student Code of Conduct occurred.
   c. To determine whether the sanction(s) imposed were appropriate for the violation of the Student Code of Conduct, which the student was found to have committed.
   d. To consider new information, sufficient to alter a decision or other relevant facts not brought out in the original procedure, because such information and/or facts were not known to the student appealing at the time of the original student conduct proceeding.

5. The appeal body has the authority to dismiss an appeal not sought on proper grounds. If the appeal body determines that the asserted grounds for appeal are valid, the appeal body may uphold, dismiss, or modify the sanctions of the Director of Student Conduct and Student Life or the Student Conduct Board. The decision of the appeal body is final and binding upon all involved.

**Article XI: Interpretation and Revision**

A. Any question of interpretation or application of the Student Code of Conduct shall be referred to the Director of Student Conduct and Student Life for final determination.

B. The Student Code of Conduct shall be reviewed every two (2) years under the direction of the Director of Student Conduct and Student Life.
