Based on in-state Summer 2021 tuition and fees. The College reserves the right to make adjustments in tuition and fees, specifically, instructional fees, general fees, laboratory fees and other mandatory and optional fees, when deemed necessary and without advance notice. Please note this cost analysis includes all courses required for degree completion. **Program costs do not include required health immunizations/titers for clinic or background checks.**

Please contact Office of Student Financial Services for questions about financial aid.

*Book costs are based on Campus bookstore through Owens campus for all required courses

** Supplies include estimated cost of scrubs

***Semester course/lab fees include estimated cost of required clinical supplies (dental instruments, PPE, dental supplies)
