The Gift of Success
Our goal at the Owens Community College Foundation is to provide students with greater access to a quality, affordable education at Owens Community College. We know that the need is great, particularly in these challenging economic times. In fact, nearly two-thirds (63.5 percent) of Owens students received some form of financial aid during the 2009-10 academic year.

Some students received federal Pell grants or work study assignments, some qualified for guaranteed student loans, and still others received scholarship assistance. Regardless of the source of the aid provided, there are many of our students who simply cannot afford to get a college education without the financial assistance Owens provides.

This is why your support is so important to the Foundation, as we seek to transform Northwest Ohio by providing all students with access to a quality, affordable college education. Because you gave, in 2009-10 the Foundation:

- Provided $128,890 in scholarship support;
- Provided $188,496 in program support;
- Raised $118,000 through our Annual Giving Campaign;
- Provided $31,737 in Success Program Grants;
- Awarded the first William A. Miscannon Scholarship;
- Awarded the first Art & Connie Smith Honors Scholarship.

The Foundation and the College want to do all that we can to ensure that students achieve their academic and career goals. We want to provide students not just with a classroom education but also the knowledge and skills they need to provide a better future for themselves, their families and their communities. On their behalf, we thank you so much for your generosity and ask for your continued support.

With much appreciation,

Ann Savage
Executive Director

Because you give...

“I am pursuing my ultimate goal of becoming a doctor and opening my own practice specializing in obstetrics and gynecology.”

– Lacey Hudspeth, nursing major
Thanks to generous contributions made during the 2009-10 fiscal year, the Foundation now has expanded the Success Program to include eight more high schools during the 2010-11 academic year: Lake High School in Wood County; and Arcadia, Arlington, Cory-Rawson, Liberty Benton, McComb, Van Buren and Vanlue High Schools in Hancock County. The expansion in Hancock County was made possible as a result of a $15,000 challenge grant by the Findlay-Hancock County Community Foundation.

The Success Program enables graduating high school students in financial need the opportunity to pursue a free college education at Owens Community College by bridging the gap between federal financial aid received and the cost of tuition (general and instructional fees) at Owens. Piloted during the 2008-09 academic year with Woodward High School in Toledo and Findlay High School, the program soon expanded to include all high schools in the Toledo Public School district as well as Washington Local School District. In August 2009, two-hundred and forty-seven students enrolled at Owens as Success Program scholars.

The Bridge to Success Program was created as a supplement to the Success Program and is designed to prepare students for college-level work. In June 2010, 54 students enrolled in the Bridge to Success Program, embarking on an comprehensive seven-week summer program in Toledo and Findlay that introduces students to the many educational resources Owens offers. Students gained valuable life and study skills and were provided with a mentor to guide them through their first year at Owens.

“The students are much, much more confident and aware of what they need to do to be successful in their classes, especially the second-year students,” said Janice Skaggs, Student Success Mentor at Owens.

Because You Give …

“Owens has opened my eyes and shown me how important education really is.”

– Jeremiah Robinson, computer science major
The Foundation accepts gifts of any size, no matter how large or small. Sometimes even small individual gifts have a very large impact. When banded together with many other individual contributions, small gifts can positively impact more students for a greater period of time.

The members of the Owens Faculty Association (OFA) believe that it is important to give back to the college community in some way beyond their instructional efforts. Dave Matheny, OFA President, said "Our key function as faculty is to help every student succeed and to achieve their goals." For that reason, in December 2007, the members of the OFA established the Owens Faculty Association Endowed Scholarship Fund with an initial donation of $10,000. Targeted toward children of OFA members who are attending Owens, the scholarship provides assistance for college expenses beyond tuition. The OFA continues to support the scholarship fund through an annual donation of 10% of the fund’s current balance.

Finally, in 2009 the Rotary Club of Perrysburg and its Foundation made an investment in the future of Northwest Ohio by establishing an endowed scholarship fund for graduates of Penta Career Center who attended Perrysburg, Lake or Rossford High School. To date, the Rotary Club has donated $40,000 to the scholarship fund, which they plan to grow to $100,000. The Rotary Club of Perrysburg has more than 120 members, including business, professional and community leaders, primarily from the Perrysburg area. These members support the scholarship fund through a variety of endeavors, including their annual Rotary Auction.

These endowed scholarship funds are the gift that keeps on giving, as an endowed scholarship can provide annual scholarships indefinitely.

One such example is the Officer William A. Miscannon Endowed Scholarship Fund. Established in 2008 by the Toledo Police Department and the Oregon Fraternal Order of Police, the fund honors the legacies of Officer William A. Miscannon and Detective Keith Dressel of the Toledo Police Department, both of whom gave their lives in the line of duty. Supported by proceeds from the annual Detective Keith Dressel Memorial Ride, contributions to the fund through June 30, 2010 exceeded $15,500 and resulted in the first scholarship being awarded to Jakob Sigler, a 2010 graduate of Findlay High School.
The Owens Community College Honors Program was created in 2008 to provide a challenging educational opportunity above and beyond the standard curriculum for exceptional students who strive for academic excellence. It offers students a wide range of courses in every department and program in the college. Smith and his wife wanted to do their part to attract high academic achievers to the College and saw the Honors Program as a means to do so.

The Smiths established the Art & Connie Smith Honors Scholarship in 2008, and it now exceeds $25,000. As Chair of the Foundation Board, Smith is committed to giving back to Owens’ students. He and Connie hope their example will encourage others to invest in Owens Community College’s students and help make higher education available to everyone in Northwest Ohio.
In Spring 2010, the first Art & Connie Smith Honors Scholarship was awarded to Darlene Grey of Toledo. Grey is a non-traditional student who was laid off from her job at a factory, which subsequently closed. She knew she needed to get a good job that would enable her to help her children get a college education. She once worked as a medical assistant in a doctor’s office and decided to come to Owens to study nursing.

“It’s very difficult to go back to school as an adult,” Grey said. “I was a little uneasy about competing with younger students.” However, she found that she enjoyed her coursework, and she has helped her classmates as much as they have helped her. Grey said “I didn’t have a lot of pride in my ability at first” but she did so well that she was invited to join the Honors Program in her second semester at Owens.

“This scholarship is a Godsend that is truly helping me pay for school ... I am so excited to be the first recipient of this scholarship and so grateful that there are people who are willing to help students like me.”

– DARLENE GREY
Alumni Association

“When the supplies are distributed to the schools, the looks on the children’s faces as they see all the materials that are being given to them makes the hard work worthwhile.”

- KAYE KOEVENIG

Our goal is to ensure that such occurrences do not happen and that all children begin their school year with new educational resources.”

Since the campaign began in 2004, each year the need for community support has grown, and each year the community has responded positively. In 2009, generous giving by Owens alumni, students, faculty, staff and community friends resulted in the distribution of over 370 backpacks and more than 8,200 pieces of school supplies to 21 elementary schools in the College’s service area. Schools to which donations were distributed include: Keyser Elementary, Navarre Elementary and Walbridge Elementary (Toledo Public Schools); Northview Elementary (Findlay Schools) and Wood County Educational Services at Glenwood (Rossford), which serves eight school districts and 17 elementary schools.

Rosemary Lugebihl, principal of Northview Elementary explained that “[Without this program, teachers would have to chip in to purchase supplies themselves or the school would have to use funds that would normally go to purchase books for the students.” And, reflecting on the positive impact that so many donors have had, Principal Teri Sherwood of Walbridge Elementary said “Thank you for your generous donation of backpacks and supplies. It’s a great feeling to know that there are people out there who care about kids.”
Because **YOU** Gave

Donations to the Owens Community College Foundation are used in a multitude of ways to directly and positively affect both the College and Northwest Ohio. For more information on supporting the Foundation's programs, please call Ann Savage at (567) 661-7184, e-mail ann_savage@owens.edu or visit www.owens.edu/foundation/index.html

In Honor or Memory
The Foundation often receives gifts in honor or memory of a cherished friend, relative or co-worker.

The names of people so honored by gifts during the 2010 Fiscal Year are listed below:

George D. Allesee
Rudy Aschenbrener
James H. Baehren
Bill Buck
Detective Keith Dressel
Florence Ennis
Steven Guerrero
Chuck Holcaw
Don Leonard
Margaret “Marge” Matthews
Officer William A. Miscannon
Sandra L. Smith Norwalk
Matthew D. Winckowski

These gifts were received during the 2009 Annual Giving Campaign and/or during Fiscal Year 2010 which began July 1, 2009*.

*While every effort has been made to provide a complete and accurate report, please forgive any omissions made by computer and/or human error.
