Averaging the past several years, OCC’s BIG Read has had an annual average total of 400 participants and attendees of BIG Read Program and events. You may make a donation at a level of your choice for each participant. If you choose to give a nickel per book, your total donation would be \$20, choose ten dollars per book \$4,000 or choose any level in between; all Per-Book pledge sponsors will be listed on the official BIG Read website. Per-Book sponsors that reach the above levels will receive the corresponding benefits. With your enthusiastic support, we hope that more than the previous average of 400 books will be read. As that would make the price of your donation rise, you may put a cap on how much you wish to donate.

By sponsoring at the Per-Book level, I understand that I have committed to make a donation based on the number of participants and attendees of OCC’s BIG Read program and events. Pledge payments are made after the final event of each annual program to fund programming in the following year.

I (we) pledge 5¢ 10¢ 25¢ 50¢ \$1 \$2 \$5 \$10 per book with a maximum of _____.
