<b>Site Supervisor's Email Address</b>	benplassman@gmail.com
<b>Title of Co-op/Internship</b>	Research Assistant
<b>Job Description</b>	<p>The new radio station WAKT is introducing a new radio show called "Revitalizing Toledo". This is a program that discusses issues in local politics and ways that the city of Toledo can solve many of it's economic problems. The shows format for each weekly broadcast will be as follows: an introduction of the episodes topic, pre-recorded interviews from national experts in that field, pre-recorded interviews with local government officials, live call-ins, and an ending monologue.</p> <p>We are seeking a interns willing to dedicate two hours, twice a week to the show in person. We also intend for them to do research on their own time and will be providing them with tasks to accomplish. This is a tremendous opportunity for individuals looking to build their network by meeting with experts in the worlds of government, business, economics, and banking. It also is intended to be used to build their experience in data analysis, practical economics, and media. Duties include researching policies, crafting questions for guests, scheduling, some marketing, communicating with guests on the show, and if desired to do so, airtime to speak on the show. We intend to hire 6 interns. Any major is welcome to apply. Of our 6 interns we plan to hire at least one with a background in economics, finance, or accounting.</p>
<b>Duration</b>	One Semester
<b>Which semester will the internship begin?</b>	- Summer Semester - Ongoing
<b>How many hours per week will the Co-op/Intern work?</b>	20
<b>How many weeks will the Co-op/Intern work?</b>	Summer – 8-10 weeks with a minimum of 20 hours per week.
<b>Will the Co-op/Intern be paid?</b>	No
<b>Preferred academic major(s)</b>	economics, accounting, marketing, finance, media, computer science
<b>GPA Requirement</b>	2.5
