

GET STARTED ON AN IN-DEMAND CAREER.

LEGAL ASSISTANT TECHNOLOGY

Associate of Applied Business

Gain working knowledge and education in the legal field. Students will learn general office skills, data processing, office equipment operations, a basic understanding of legal requirements of businesses, litigation, contracts and legal research and writing skills. Legal Assistants can expect to assist with legal research, client services, drafting legal documents and correspondence.

RELATED DEGREES

Administrative Office Coordinator, Dental Office Coordinator, Medical Office Support, and Office Administration.

JOB OPPORTUNITIES FOR GRADUATES

Upon completion, students will be prepared for entry-level positions within the legal field. Legal assistant positions are needed in all types of organizations, but most will be found in law firms, corporate legal departments, or government agencies. Legal Assistants will be expected to possess a high-level of technical, research, organizational and writing skills, and be highly professional and confidential.

Salary and Employment Opportunities: Labor statistics project legal assistants and paralegal positions to grow as much as 10% (much faster than average) by 2029. In 2019, there were 337,800 jobs available in Northwest Ohio. The national median pay for 2019 for legal assistants and paralegals was \$51,740 per year (\$24.87 per hour).

LOCATION

Toledo-area Campus

OTHER PROGRAM INFORMATION:

Two (2) of the required courses for this program will be taken at the University of Toledo, either in person, or synchronously. Some courses may require students to take classes online, while other classes may only be offered in person. See academic advisor for more details, or call the School of Business, Hospitality Management and Public Safety at (567) 661-7280.

The Business Technologies Department works closely with local businesses and organizations to secure internships and employment opportunities for students and to assure program courses are relevant with current business practices and technology. Each student in the program will complete a 150-hour internship experience. A professional portfolio will be completed as part of this program.

PROGRAM CURRICULUM

The Age of Coursework for IST and OAD courses is 6 years - chair approval required for courses beyond that.
