TEACHING PROFESSIONS AT ANTHONY WAYNE HIGH SCHOOL

Owens Community College Major: Early Childhood Education

Program Length: 4 semesters **Credits:** 65

PROGRAM INFORMATION

This program develops attitudes and values in students that are indicative of caring, competent and committed early childhood education professionals. The curriculum includes both class and laboratory experiences planned to increase the student's knowledge and skills in programs concerned with the development of young children. During the practicum experience, students work with a qualified cooperating teacher in a prekindergarten setting.

Program graduates who meet licensure requirements are eligible to apply for the Pre-Kindergarten Associate License, a voluntary license available from the State of Ohio Department of Education. License recommendation requires the approval of the Department Chair

JOB OPPORTUNITIES FOR GRADUATES

Graduates will be prepared for placement in childcare centers, Head Start Centers, public schools, preschools, public preschool paraprofessional programs or other programs involved in the care and guidance of prekindergarten children and their families. An option to classroom teaching includes work as a Head Start Home Visitor, Family Engagement Advocate or Health and Disabilities Advocate.

SALARY

The U.S. Department of Labor, Bureau of Statistics for the Toledo area, reports annual salaries for positions such as those listed above range from \$17,000 to \$33,000.

EMPLOYER TESTIMONIAL

"We like to hire Owens Early Childhood Education graduates because they are dedicated and we know that they will stay with us." Dr. Parvin Parsai, Director – Sylvania Children's Center

TECH PREP SCHOLARSHIP

Owens Community College offers Tech Prep scholarships to graduating high school seniors who have participated in a Tech Prep career pathway within the Greater Northwest Ohio Tech Prep Consortium. The maximum award is \$2,000 total (\$1,000 per year) or \$500 per semester for four semesters to cover tuition, fees, and an allotment for books **that are not covered** by other financial aid, such as Federal Pell Grant, as long as the student maintains eligibility. This scholarship does not pay for supplies, lab fees, course fees, and other institutional fees. Students must earn earned a 2.5 on a 4.0 GPA scale by the end of the 7th semester of high school. They must enroll at Owens, full time, for the fall semester immediately following high school graduation, and declare an associate degree program related to the chosen high school Tech Prep pathway.
