PROGRAMMING & COMPUTER SIMULATION AT CLAY HIGH SCHOOL

Owens Community College Major: Computer Programming Technology
Program Length: 4 semesters **Credits:** 61-62

PROGRAM INFORMATION

The Computer Programming Technology program prepares you for careers as computer programmer, database administrator, software developer, or web developer. The program will assist you in developing skills in computer programming, computer operations and management; web development and systems analysis. You will obtain a strong foundation in applications frequently used in business and industry including Windows, Visual Basic, SQL, XML, HTML, and Java.

JOB OPPORTUNITIES FOR GRADUATES

The Information Systems Department works closely with local businesses and organizations to secure internships and employment opportunities for students and to assure program courses are relevant with current business practices and technology. Students have the option to complete a 150-hour co-op work experience.

US News and World Report's 100 Best Jobs (2014 Edition) rates Software Developer as the #1 and Computer Systems Analyst as the #2 best jobs.

SALARY

Labor statistics project computer-programming jobs to grow as much as 18% with a salary range from \$38,000 to \$62,000.

Computer programming – growth: 8%-14%
Database administrator – growth: 15%-21%
Software developer – growth: 22%+
Web developer – growth: 15%-21%

TECH PREP SCHOLARSHIP

Owens Community College offers Tech Prep scholarships to graduating high school seniors who have participated in a Tech Prep career pathway within the Greater Northwest Ohio Tech Prep Consortium. The maximum award is \$2,000 total (\$1,000 per year) or \$500 per semester for four semesters to cover tuition, fees, and an allotment for books **that are not covered** by other financial aid, such as Federal Pell Grant, as long as the student maintains eligibility. This scholarship does not pay for supplies, lab fees, course fees, and other institutional fees. Students must earn earned a 2.5 on a 4.0 GPA scale by the end of the 7th semester of high school. They must enroll at Owens, full time, for the fall semester immediately following high school graduation, and declare an associate degree program related to the chosen high school Tech Prep pathway.
