FIREFIGHTING & EMERGENCY MEDICAL SERVICES AT PENTA CAREER CENTER

Owens Community College Major: Emergency Services Technology

Program Length: 4 semesters **Credits:** 61-63

PROGRAM DESCRIPTION

The Emergency Services Technology program prepares graduates to compete for entry level positions at local fire/EMS stations with dual certifications as a Nationally Registered Paramedic and Firefighter I & II in the State of Ohio. Firefighter certifications are ProBoard eligible.

JOB OPPORTUNITIES FOR GRADUATES

The Emergency Services Technology Program prepares graduates to find positions with federal, state and local fire departments, and ambulance services companies. Additionally, it prepares graduates to earn certifications as a Nationally Registered Paramedic and Firefighter II.

Emergency medical technicians (EMTs) and paramedics care for the sick or injured in emergency medical settings. People's lives often depend on their quick reaction and competent care. EMTs and paramedics respond to emergency calls, performing medical services and transporting patients to medical facilities.

Firefighters control and extinguish fires or respond to emergency situations where life, property, or the environment is at risk. Duties may include fire prevention, emergency medical service, hazardous material response, search and rescue, and disaster assistance.

SALARY

The Bureau of Labor Statistics Association website states that the average entry level income for a Firefighter in Ohio was \$22,130 in 2014. The average entry level hourly wage of Firefighters in Ohio was \$10.64 in 2014. The average entry level income for a Paramedic in Ohio was \$20,690 in 2014. The average entry level hourly wage of Paramedics in Ohio was \$9.95 in 2014.

TECH PREP SCHOLARSHIP

Owens Community College offers Tech Prep scholarships to graduating high school seniors who have participated in a Tech Prep career pathway within the Greater Northwest Ohio Tech Prep Consortium. The maximum award is \$2,000 total (\$1,000 per year) or \$500 per semester for four semesters to cover tuition, fees, and an allotment for books **that are not covered** by other financial aid, such as the Federal Pell Grant, as long as the student maintains eligibility. This scholarship does not pay for supplies, lab fees, course fees, and other institutional fees. Students must have earned a 2.5 on a 4.0 by the end of the 7th semester of high school. They must enroll at Owens, full time, for the fall semester immediately following high school graduation, and declare an associate degree program related to the chosen high school Tech Prep pathway.
