

2024-2025 Dependent Student Special Circumstances Application OFFICE OF FINANCIAL AID

Financial aid for the 2024-2025 academic year is based on 2022 income. If you and/or your family have had a significant change in your financial situation during 2024, complete this form to request a re-evaluation of your eligibility for financial aid.

The submission of a Special Circumstances Application does not always result in increased financial aid eligibility.

Before you begin

Before you submit this application, make sure you have reviewed and completed the following items.

- You have **submitted the Free Application for Federal Student Aid (FAFSA®) for 2024-2025**. If you have not filed a FAFSA®, **you must do so as soon as possible**. The Office of Financial Aid is unable to review your changed financial circumstance until we have received the results of your FAFSA® and you have completed verification.
- You are currently enrolled or plan to enroll for Summer 2024, Fall 2024, or Spring 2025 semesters. Your application will not be reviewed if you are no longer enrolled for the academic year.

Verification

As part of the special circumstances application, you and your parents will be selected for verification. Please monitor your Ozone account for any additional documentation that is required.

The Special Circumstances Application will be processed after verification is reviewed and completed.

Which form should you complete?

This packet contains two forms. Submit the form(s) which apply to your situation.

- Use the **Special Circumstances Application for Changes to Income from Work** to request adjustments based on a loss of income from work in 2024 due to a loss of job, change of job, reduction in pay, disability, or retirement.
- Use the **Special Circumstances Application for Changes to Non-Employment Income** to request adjustments based on the loss of non-employment income such as taxable Social Security, child support, Worker's Compensation, alimony; a one-time withdrawal from IRA, 401k or other pension programs; nursing home costs; out of pocket medical or dental expenses; the death of a parent after the FAFSA® has been submitted.

When to submit this form

Requests must be processed by the last day of classes for the semester(s) you are attending for this academic year. In order to ensure that your request can be reviewed, submit this application and all requested documentation as soon as possible, preferably no later than one week prior to the end of the semester, as listed below.

Summer 2024: 8/4/2024

Fall 2024: 11/28/2024
