REGISTERED NURSE PROGRAM

Associate of Applied Science

JOB OPPORTUNITIES FOR GRADUATES

Once graduates pass the NCLEX-RN, they will be eligible to be hired in many different settings. Those settings include: hospitals, home health care agencies, long term care facilities, school systems, pharmaceutical companies, hospice, government agencies, etc.

SALARY

On average a Registered Nurse will earn \$52,000 a year while working full time.

LOCATION

Findlay-area Campus
Toledo-area Campus

ACCREDITATION

The Registered Nurse Program is fully approved through the Ohio Board of Nursing.

The Registered Nurse program (which includes the LPN/ADN progression program) is accredited through the Accreditation Commission for Education in Nursing (ACEN).

DEPARTMENTAL HIGHLIGHTS

Our students have access to a state of the art high fidelity simulation lab. Each course will include time in both the skills lab and the human patient simulator labs.

The Nursing Program employs a Nursing Retention Specialist who assists with tutoring, academic planning, time management skills, test taking strategies, success planning and NCLEX preparation.

STUDENT ORGANIZATIONS

Students in the RN program have the opportunity to be involved with the Nursing Program Student Nurses Association (SNA). The SNA participates in community services projects in both the Toledo and Findlay areas. Some of the students community service activities include participating in the Toledo area Race for the Cure, March for Babies and students collect toys for children in need and for area hospitals during the holiday season in the Findlay area.

Students who maintain an overall Nursing GPA of 3.0 or higher are eligible to participate in the Pi Chapter of Alpha Delta Nu Honor's Society for Nursing. These students also participate in a community education project.
