HESI (HEALTH EDUCATION SYSTEMS INCORPORATED) INFORMATION SHEET

Health Education Systems Incorporated (HESI) PN-ADN Mobility Exam

The HESI PN-ADN Mobility Exam is a 75-item comprehensive exam designed to be used as an assessment for currently Licensed Practical/Vocational nurses seeking entrance into an Associate Degree Nursing (ADN) program.

The exam identifies strengths and weaknesses in PN/VN content areas, and the possible need for remediation prior to entrance into an ADN program.

Test items are normed on LPN/VNs currently in clinical practice.

Measures competencies across PN/VN content areas, including:

- Fundamentals
- Pediatric Nursing
- Maternity
- Professional Issues
- Medical-Surgical
- Psychiatric/Mental Illness

The test will take approximately 2 hours to complete, but it is not a timed test. This does not include the registration time. At the time of reserving a seat for the test with the Testing Center, please budget at least 2.5 hours to take the exam. If you think you will need over this amount of time, add the additional time when you call to make your reservation.

A drop down calculator is provided within the exam.

There is no designated study guide for this exam. Any NCLEX-PN study guide is appropriate.

Points toward admission are awarded based of the score received. (See catalog)

Students with disabilities who are eligible for testing accommodations are responsible for coordinating their accommodations with the School of Nursing & the Office of Disability Services. Some specific accommodations may not apply, as determined by the HESI test guidelines. Call the office of Disability Services at (567) 661-7007 prior to scheduling your HESI appointment.
