

Transportation Technologies Expo Day

Wednesday, March 14
10 a.m. – 3 p.m.

Transportation Technologies Center

Explore a variety of transportation careers suited for technically savvy students who enjoy hands-on work. Transportation Technologies programs provide students with the knowledge and skills needed to compete in today's competitive transportation industries.

Representatives from automotive, diesel heavy truck, agricultural equipment, construction equipment and collision industries will also be on hand seeking employees and paid interns. Bring your resume and come dressed for success.
